NOTHING BETTER

ever happened in the cracker line

THAN

our two great favorites, the climax of
cracker goodness,

HAMPDEN CREAMS AND BANGOR SODAS.

They're made right—taste right—look right—ARE right
and the price is right. There's complete cracker satisfaction in every one.

Ask your grocer for these goods; or for any other of our hundred
and more varieties. All home made; all high grade.

DO NOT LEND YOUR DIRECTORY

Many are the complaints of those who regularly patronize the Directory that they are bored so much by borrowers. Not the stranger or private citizen who steps into the office, looks at the Directory, and goes out, but the business man who continually needs it for reference, yet are too close-fisted to buy one for themselves. These are the people who carry off your Directory, just for a few minutes, which generally means a few days, unless you send for it before; then you have scarcely housed it before some one else comes with the request that: "Please lend me your Directory for a few minutes?" Perhaps you won't see it again for a week or more. Yet the same borrower will tell our solicitor that he has no use for a Directory; he knows everybody and everybody knows him.

CLARION

Ranges, Stoves and Furnaces

give results that cannot possibly be obtained with carelessly made goods.

They are economical because they are accurately fitted to control the draft—durable because made of the choicest of new iron—convenient because of their many special improvements.

EASTERN STEAMSHIP CO.

The oldest established Steamship Company in the United States, having commenced regular communication between Boston and the landings on Penobscot River in the year 1824, which it has maintained with constantly increasing facilities for more than 81 years.

The Steamers now in service on the Bangor Division are the

City of Rockland,

Capt. Marcus Pierce.

Penobscot,

Capt. William A. Roix.

City of Bangor,

Capt. Howard H. Arey.

J. T. Morse,

Capt. F. L. Winterbotham.

During the Summer (or from the middle of May to the first of October) steamers leave Boston at 5.00 P. M., and Bangor daily, except Sunday.

From October 1st until late in November, four passages a week are made; in the winter there are two steamers a week, and upon departure of ice in the spring, four trips a week are made.

The regular landings on Penobscot River and Bay are Bangor, Hampden, Winterport, Bucksport, Searsport, Belfast, Camden, Rockland, Stonington and Mount Desert.

All the steamers of the line are fitted and furnished with all the modern appliances for the comfort, convenience and safety of passengers.

Moderate rates for fares and freight have always been maintained; the officers and agents are noted for their courtesies to passengers and the line has always had the commendation of all along the route.
