SISTER MARY LUANUS

"A Force"

Every institution, whether it be academic, business, or otherwise; has forces which tend to mold it, and make it unique. John Bapst High School is no exception. Since its founding in 1926, many people have influenced the dynamic growth and progress of the School. This year's Crusader is dedicated to one such person.

Sister Mary Luanus, a Benedicta native, received her B.A. from St. Joseph's College in Portland in 1956. There, she majored in English and minored in Latin and Spanish. Later, she was awarded her M.A. from St. Joseph's College of Hartford, Connecticut for her studies in Latin. Sister Luanus first came to John Bapst in 1964, after having served at several other schools throughout the state. She left in 1967 and returned to us again in 1975. Sister Luanus is presently completing her seventh year with John Bapst High School.

There are several traits which all leaders must possess, Sr. Luanus exhibits them all. She is caring, concerned, and committed. She is self-confident but not self-conscious. One of a leader's most valued characteristics is their ability to relate to others. Sister has no trouble communicating with the students, faculty, or parents of the John Bapst family. There is no doubt that she has instilled these qualities into all those who she has come in contact with. Her marks of leadership will never be erased from the record of John Bapst High School.

Besides her duties as Latin instructor, Sister Luanus teaches religion and can also be considered a god-parent of the student body. She is constantly involved in our religious services, masses and devotions. She is a model of good Christian and moral example. John Bapst benefits from her mere presence in our halls and classrooms. She is a force! Sister Luanus we salute you, and thank you.

BOARD OF TRUSTEES

The Board of Trustees guide the business and academic affairs of John Bapst. Within the last three years, they have built for the school a strong financial foundation and attracted much good publicity to it. Without the Board of Trustees, John Bapst would not be the unique institution which it is.

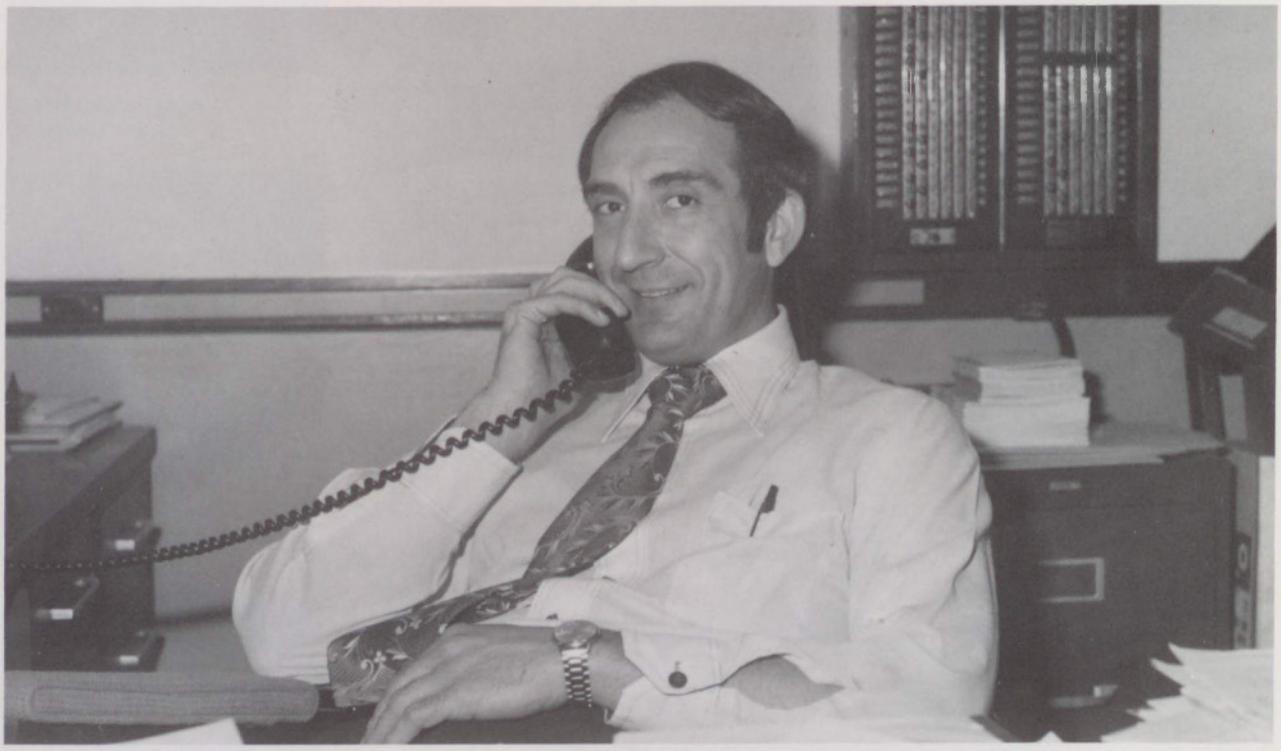
ADMINISTRATION

ADMINISTRATION



Principal Joseph Sekera

"Captain And First Mate"

If an analogy were to be drawn between a ship and John Bapst, Mr. Sekera and Mr. Giroux would surely be the captain and the first mate. Mr. Sekera is responsible for all the internal operations of the School. He is just as likely to be seen working in his office in coat and tie or up to his elbows in some piece of machinery in the School. He must be a Jack of all trades, and he is.

Mr. Raymond Giroux serves Bapst as an Assistant Principal for Discipline and also as a capable French instructor. He is charged with the interpretation of the School's codes and rules. Since his appointment in 1977, Mr. Giroux has been a welcome addition to the administration. Both Mr. Sekera and Mr. Giroux serve John Bapst well and deserve the thanks of the whole John Bapst community.

Retreat '79

All the Catholic students participated in the annual retreat. The retreat creates a spiritual atmosphere in the school not felt during the school day. Each class was divided into smaller groups of about 20 students which held discussions, prayers, and reflections with the moderators. Each session is concluded with a large mass which emphasizes the principles set-forth during the retreat itself. On hand to help coordinate the activities was a group of Jesuit Priests from Boston.

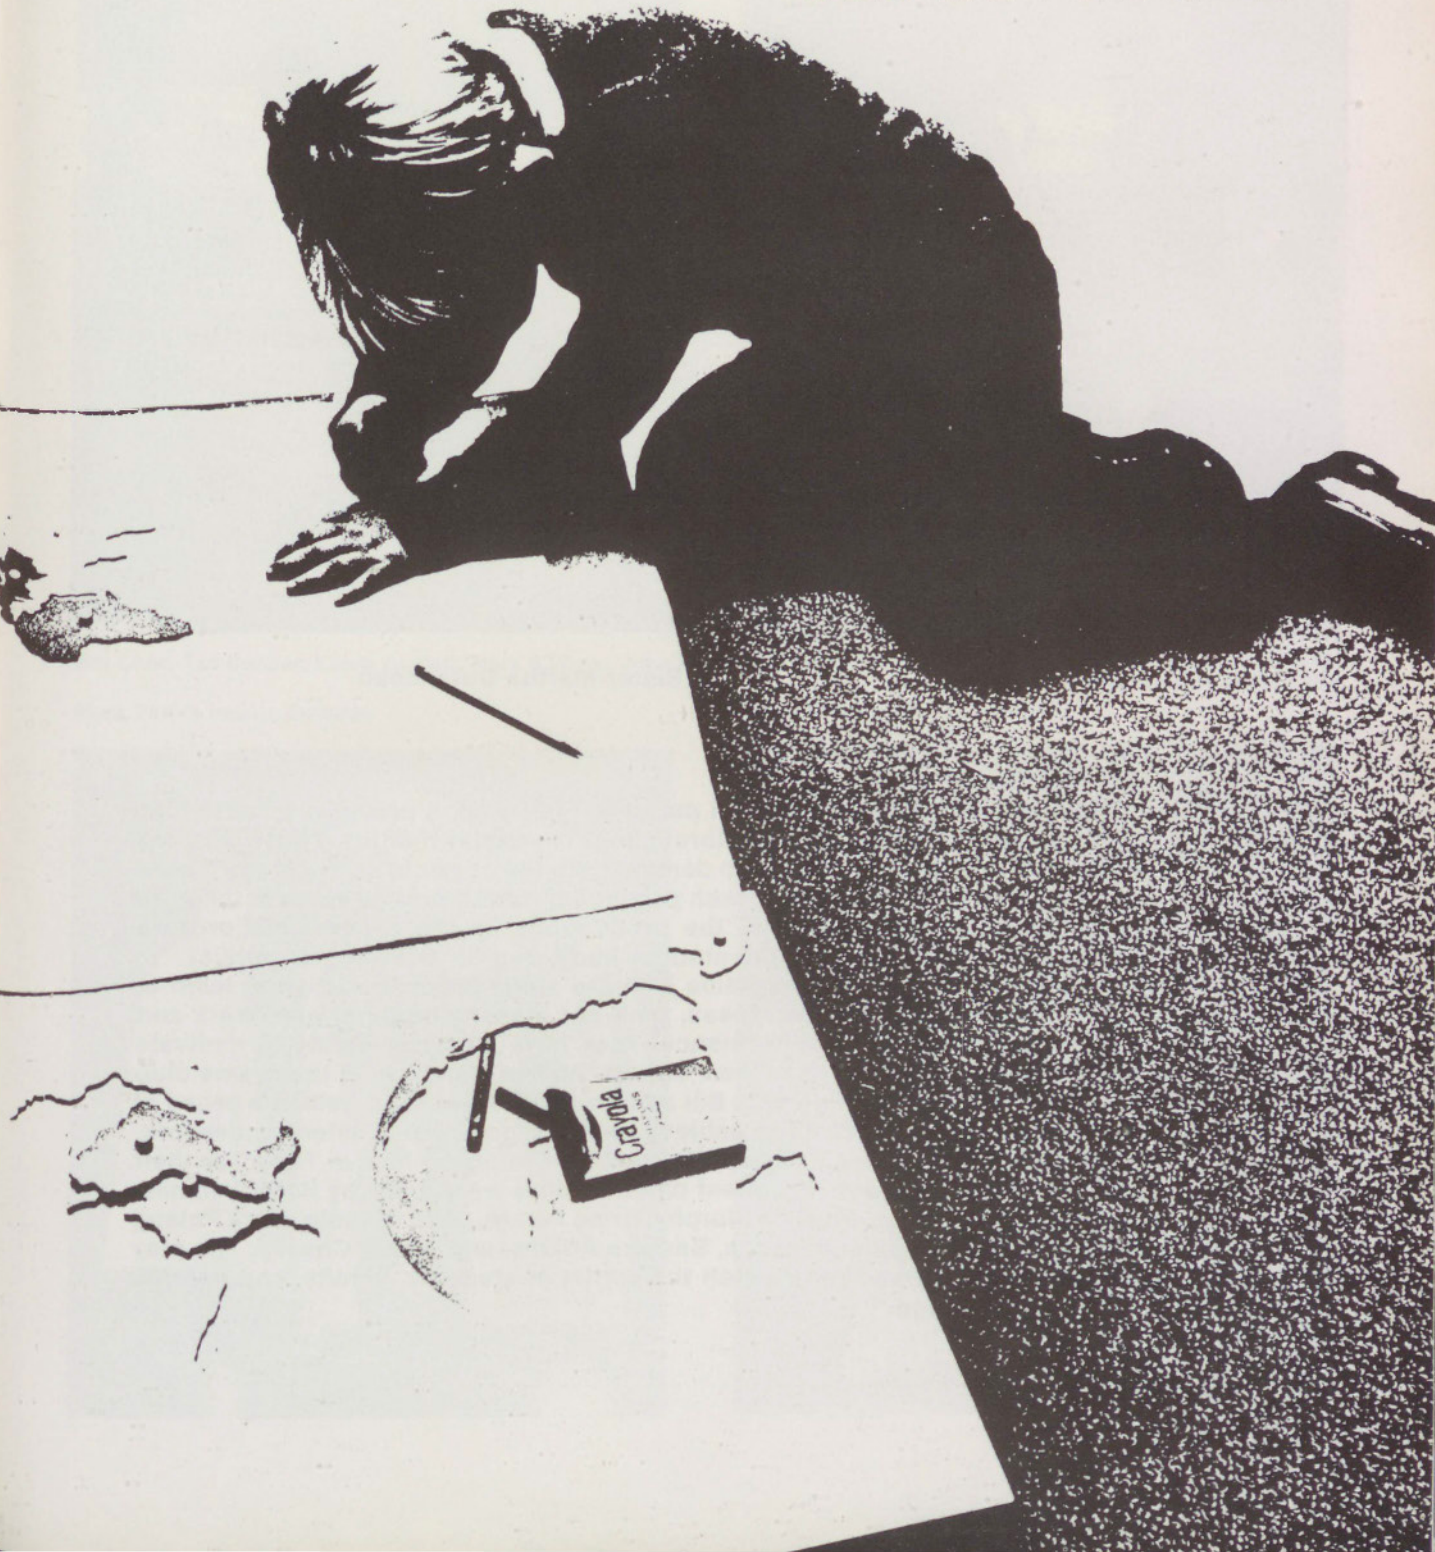
ACTIVITIES



DRAMA CLUB

Mr. William Trowell

Sister Martha Duranceau

The John Bapst Drama Club serves a dual purpose. First of all it provides an outlet for the frustrations often suffered by students throughout the winter months. Those who are unable to participate in athletics are able to demonstrate their talents on the stage. There is a place for every interested student in each production, whether it be as an actor or as an assistant in the stage crew. Second, the productions by the drama club provide excellent theatrical entertainment for the student body, and for the general public.

The main driving force behind the creation of these stage productions is the team of William Trowell and Sister Martha Duranceau. Both put in many hours of hard work and talent into the realization of each performance. They have a unique ability to motivate each member of the club to preform to their utmost. All the members of the drama club have benefited from their association with Bill and Sr. Martha and have gained a sense of responsibility which will enable them to achieve their full potential in future endeavors.

The John Bapst Drama and Glee Club's preformed the "Stingiest Man in Town" as their Christmas play for the 1979 season. Excellent performances were given by Bud Cushman, Karen Bartlett, Annette Sullivan, Mary Jo Murphy, Brian Moore, John O'Toole, Mark Peters, Mary Sulivan, Lisa Mardas, John Levesque, Barbara Adams, and Andre Chasse. The play was a huge success and served to brighten the spirits of students, faculty, and parents during the Christmas season.

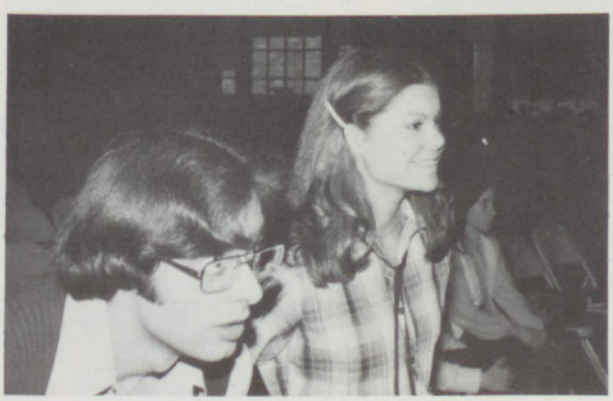
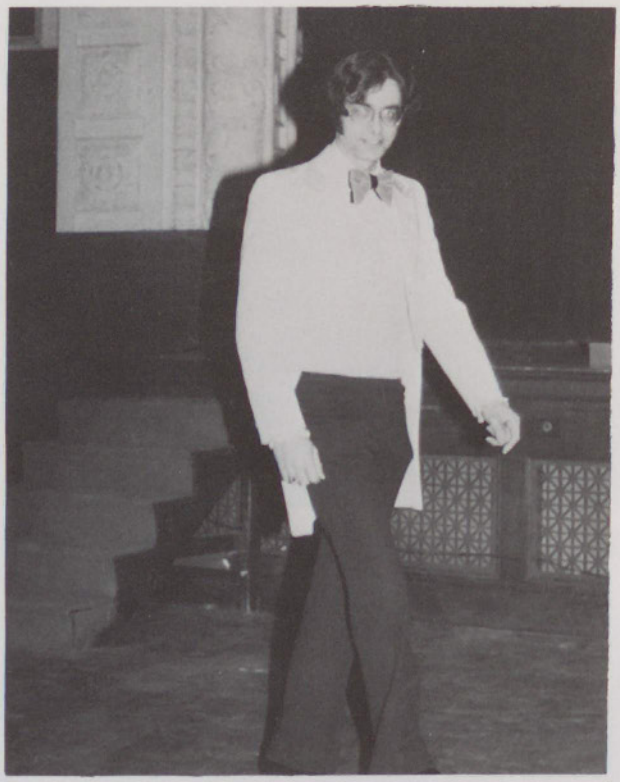
1980 Production: "Guys And Dolls"

The Hot Box dancers practice their act after school in the auditorium

The 1980 production by the Drama Club of John Bapst will be "Guys and Dolls". This is an intriguing story concerning the life of a gambler, Nathan Detroit, played by Ted Dunbar. Co-Stars are Andre Chasse, Barbara Adams and Mary Jo Murphy. Special thanks go out to Brandi Hall, Donna Johnson, Mrs. Ardine, and Lou Ann Leeman for their many hours of time and effort.



GLEE CLUB



Director, Mr. William Trowell

The John Bapst Glee Club has begun to establish a tradition at the school. Nearly half of the student body actively participates in its activities. Practices are held every Tuesday morning throughout the school-year under the direction of Mr. William Trowell. The Glee Club provides relaxation and establishes confidence in oneself, as well as serving as a means to make new friends and contribute to the joy of the community. Many performances are held throughout the year. Most notable of these are the concerts put on for the Parents Teacher Club, a concert given at the Bangor Mall during the Christmas season, and participation in the annual play production put on by the Drama Club. The Glee Club serves to contribute to the unity and the feeling of belonging to a family which is such a unique attribute of John Bapst High School.

WINTER CARNIVAL

The annual Winter Carnival is held every year during the month of February. Its purpose is to rekindle the spirit of the John Bapst community which tends to become strained during the long winter months. It is a time of fun, relaxation, and togetherness. Students and faculty alike are involved in the planning of this yearly event. Activities include inter-class sports competitions, a talent show, snow-sculpture contest, and a Prom at the conclusion of the week. The entire event is an experience worthwhile to all who participate. By the following week, students, faculty and administration exhibit a renewed interest in the traditional life of academics, athletics, and the promise of another glorious spring.

INTRAMURALS

John Bapst High School has established a strong intramural program over the years. Under the supervision of Physical Education Director Richard Soucy, many students get a chance to participate in an organized athletic program. During the Fall both boy's and girl's flag football is played. In the gap between the Basketball season and spring sports, an intramural basketball league is organized. Faculty advisors participate on each team, and the competition always runs high. The intramural program is vital to the concept which is John Bapst High School. It allows students to develop friendships, learn cooperation, and gain responsibility in a situation other than the traditional academic classroom. The programs generate a cohesiveness which has become associated with attendance at John Bapst High School.

Yearly Accomplishments

Throughout the school year, The Student Activities Council kept John Bapst alive with their sponsorship of dances, several candy sales, and above all the annual Winter Carnival. Various skating and sliding parties, a talent show, and an elaborate Prom highlighted the yearly festivities. There were inter-class sports competitions between the students and faculty which generated the high level of spirit and unity that is unique to John Bapst High School. Thanks to the interest of our student body, and to the support and cooperation of our faculty advisor, Jill LeBlanc, S.A.C. remains the vibrant source of life at Bapst.

Every year the NHS participates in two services, Orientation and Induction. Orientation, held in the middle of the school year, gives prospective students an opportunity to experience a high school atmosphere for a day. Induction, held near the end of the school year, is a solemn ceremony used to introduce new inductees to the NHS experience. NHS is a society of honor!

ROMAN BANQUET

Various Roman costumes.

The Roman Banquet was held on March 15, also known as the Ides of March. It was on this date which Julius Caesar was slain. He ignored the warnings of friends and family and went to the Senate where he was killed.

The two Latin I classes made up the majority of the slaves which served the drinks and the participants from the Latin II class were disguised as ancient Roman gods. The faculty and their families were invited to attend the festivities. The event was a complete success with Sr. Luanus, our Latin instructor, receiving a bouquet of flowers from her thankful students.

The Roman Banquet attracts many visitors and guests.

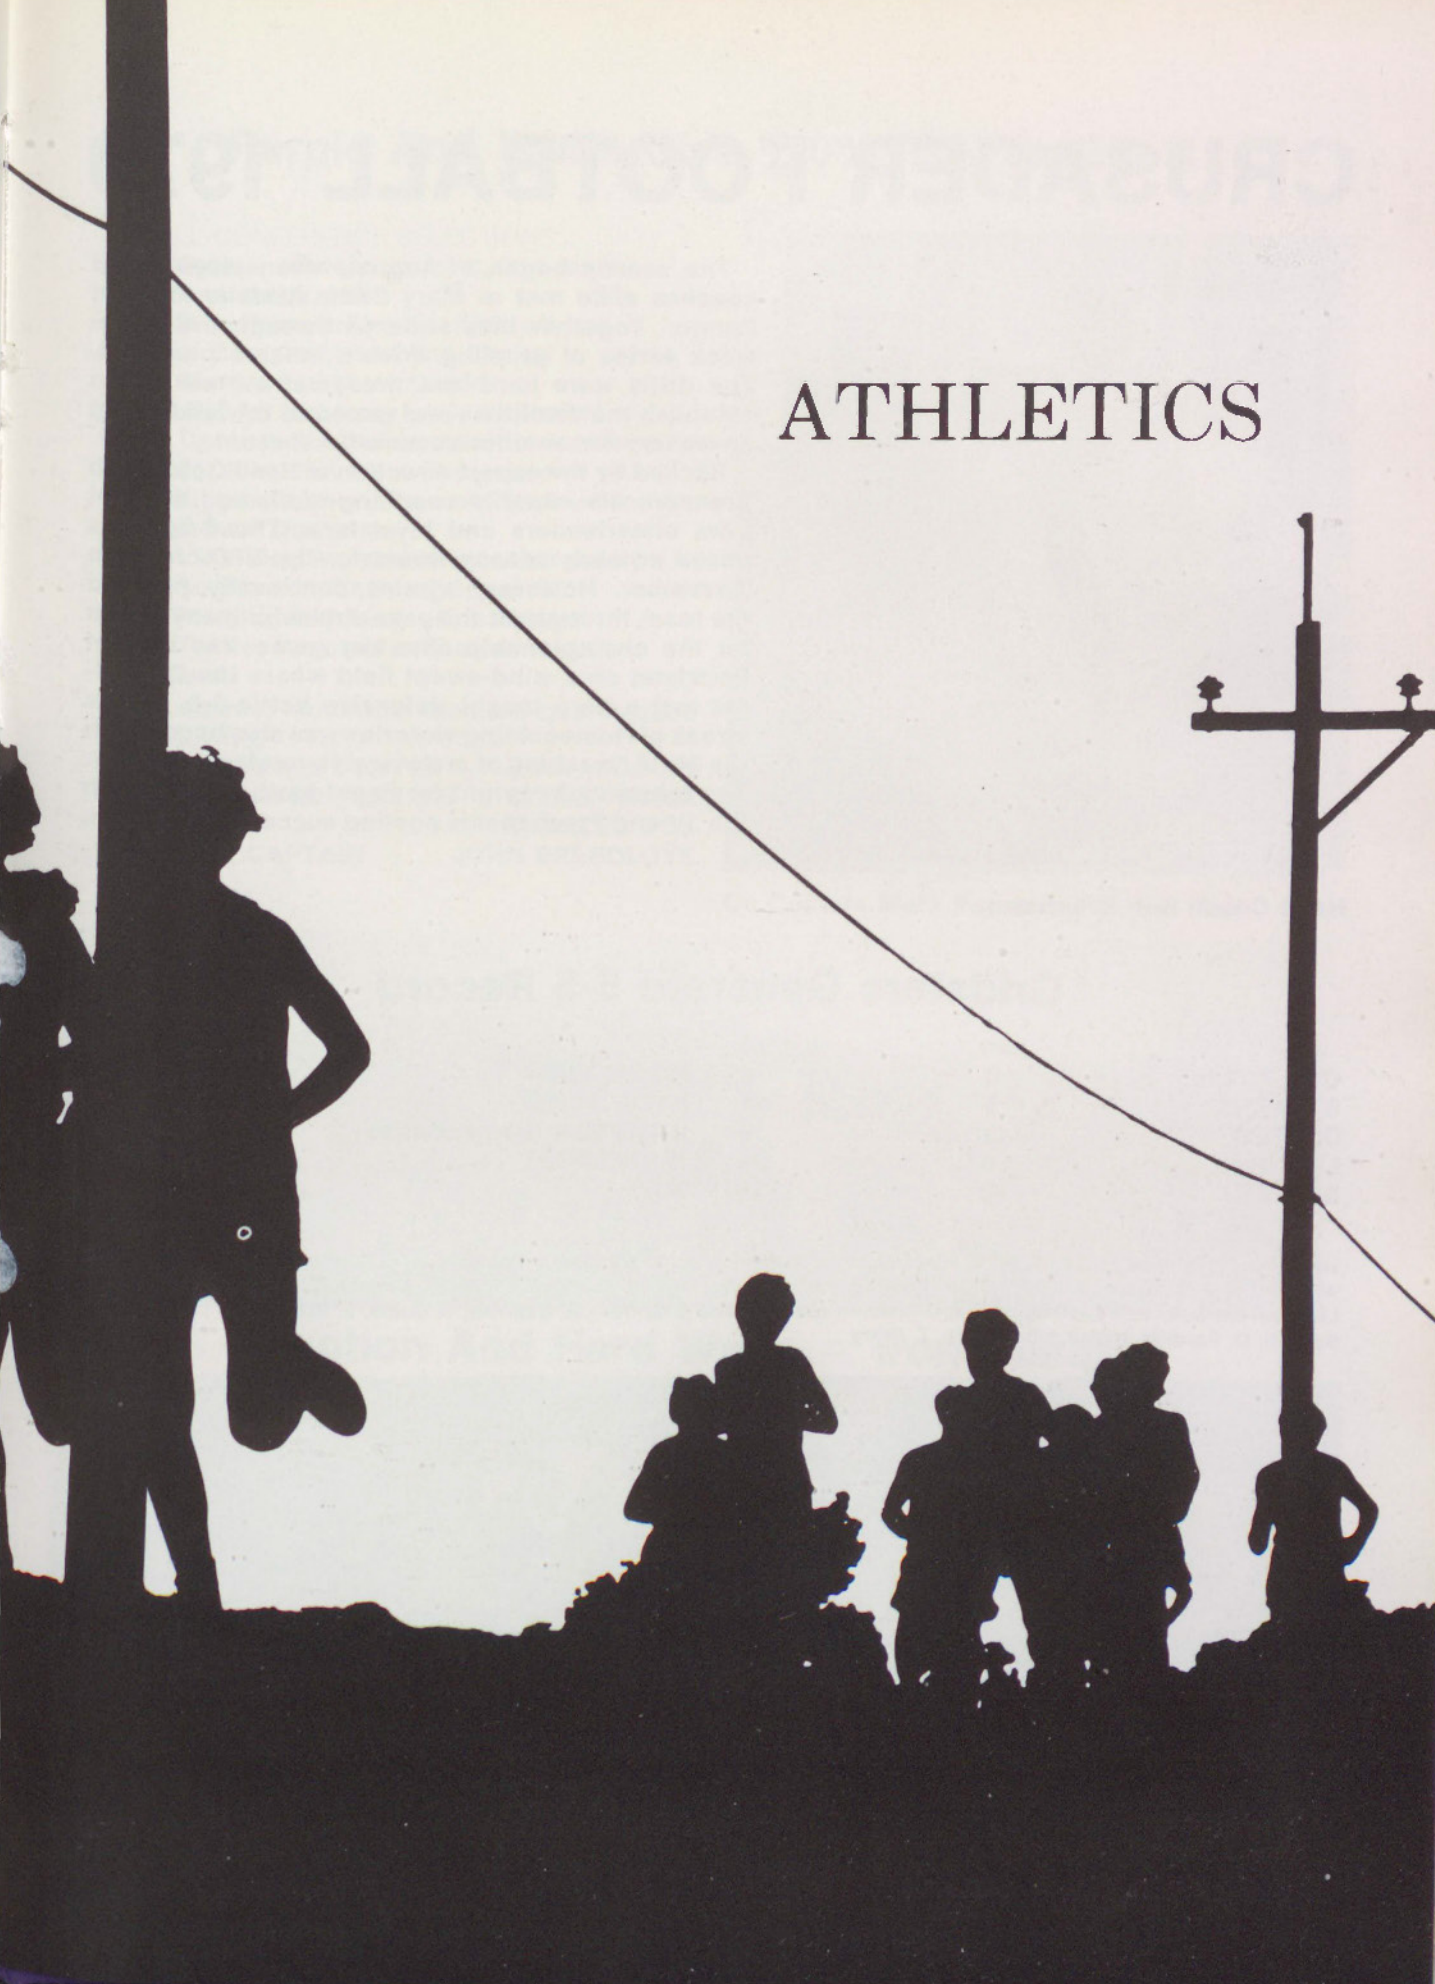
YEARBOOK

The long and grueling process of making the 1979 Crusader publication possible began last fall, only yesterday, with our photographers at work. Shortly after, many more devoted members beat the pavement collecting advertisements from old and new sponsors, patrons and contributors. Special gratitude is extended to Steven's Studio, Josten's Yearbook Company, and to all those who dedicated their time and talents towards meeting our deadlines and creating the 1979 Crusader Yearbook.

ATHLETICS



CRUSADER FOOTBALL 1979

Head Coach Bob Brennan

The season began in August, when players and coaches alike met at Mary Snow Athletic Field in Bangor. Together they suffered through the three-week series of grueling double session practices. The drills were hard and tiresome, but served to establish the discipline and generate the leadership necessary for another successful season.

Backed by the expert direction of Head Coach Bob Brennan, his capable coaching staff, and support from cheerleaders and loyal fans, The Crusaders posed an early season threat for the LTC crown in November. However, injuries continually plagued the team throughout the year diminshing any hopes for the championship. The key game was held at Rockland on a wind-swept field where the Crusaders lost a hard fought defensive battle 2-8. A new streak of Homecoming victories was also begun with the 34-14 thrashing of arch-rival Hampden Academy. The future looks bright for Bapst football, with both the JV and Frosh teams posting successful seasons.

JUNIOR VARSITY

Coach Otterson and Q.B. Mark Sullivan

The 1979 Junior Varsity Football Team under the direction of Coach Brian Otterson and Assistant Coach Matt Hackett posted a successful season mark of 5-2. The young Crusaders exemplified the traditions of Bapst football established down through the years by consistently demonstrating the ability to hit hard on defense, run hard on offense, give their all to the effort, and to accept victory as well as defeat with pride in themselves and respect for the opposition. The team was led on offense by the leadership of quarterback Mark Sullivan and the power running of Ron Jordan. Excellent defensive performances were turned in by juniors John Breedlove and Wayne Paschal. Sophomore sensation Craig Babin also played with intensity on defense before dislocating his elbow in the Belfast contest.

Frosh Post Best Mark In 3 Years, 4-3

The freshmen football team had a slow start this year, but came out hard as they had twenty-one members as compared to last years thirteen. For the first time in years the team was blessed with some good size as boys from outlying communities became involved in this year's team. The freshmen worked hard with the skills of Mike Masse as QB, Joe Hughes, Jeff Higgins and John Cullivan as running backs; and the outstanding defensive skills of Tom MacDonald, Peter Higgins, Robby Stone, and Eric Smith. They should form the nucleus for the Bapst grid teams of the next few years.

The 1979 version of Boy's and Girl's Cross Country at John Bapst posted a fine record. Both squads were runners-up for the Eastern Maine Title and each placed third at the State Championship Meet held at Bowdoin College in November. The Boy's team was 8-8 during the regular season and was led by Captain Kevin Kenny and his brother Fergus. The Girl's team, captained by Maureen Mckenna, was led by Barbie Rand, Cathy Higgins, and Jennifer Higgins. They compiled an impressive 16 wins against 4 defeats in league competition. At the annual Fall Sports Banquet Kevin Kenny and Barbie Rand were selected as Most Valuable Players, while Fergus Kenny and Jennifer Higgins were recognized as the Most Improved Players. Both teams will lose only one senior to graduation, and therefore the future for success of Cross Country at John Bapst appears bright.

COACH SOUCY

The John Bapst Varsity Boy's Basketball Team began the 1979-1980 season with high hopes of gaining a Tournament berth in February. However, sickness and persistent injuries decimated the starting line-up. Under the direction of Head Coach Richard Soucy the Crusader unit compiled a season mark of 4 wins against 14 losses. They knotched victories against Belfast, Searsport, and arch-rival Bangor Christian. Many other games were extremely close until the closing minutes of the ballgame, most notable of which were the overtime loss to Deer Isle-Stonington, and the double overtime loss to Maine Central Institute of Pittsfield. The team was lead by the expert ballhandling of Ed Gosselin, the precision passing of John Higgins, the outside shooting of Ray Nichols, and the strong inside game of Butch Babin and Owen Monday. Jamie Higgins and Andy Sockbeson also contributed valuable performances to the effort. The Crusaders will lose eight seniors to Graduation, however the future is optimistic, with both the JV and freshman teams posting winning seasons.

COACH MIRAGLIUOLO

The 1979-1980 Girl's Basketball team generated an excellent season record of 9 wins against 8 losses. Only some key losses late in the season prevented them from capturing a berth in the Eastern Maine Class C Tournament. Versatile Head Coach Lenny Miragliuolo instilled a desire to fight for victory with pride and good sportsmnship in every one of the girls on the team. Miragliuolo also coaches Cross Country and Track and Field, as well as serving as the school's Athletic Director. His teams continually exemplify the qualities and principles unique to John Bapst High School. This year's squad was led in scoring by the junior tandem of Toni Farrenkopf and Tammy Stone. Handling the rebounding chores were Chris Mackay, Darcy O'Donnell, and Karen Rafuse. The O'Donnell twins, Lisa and Gidget, also preformed well off the bench with fine defensive efforts.

Mike Methvin's Junior Varsity Boy's Basketball team compiled an impressive season mark of 7 wins against 9 defeats. Double wins came against Penobscot Valley High School and arch-rival Bangor Christian. The team consistently exhibited the hustle and teamwork which is the trademark of a winning team. Coach Methvin was adept at utilizing his entire squad during tense game situations. This ability will contribute to the game experience so vital for these players to be a success on the varsity level in years to come. The young Crusaders were led in scoring by sophomores Joe Walsh and Scott Warren and in rebounding by juniors John Breedlove and Mike Quinn.

FRESHMAN BASKETBALL

The John Bapst Freshman team constructed one of the finest records in recent years. They struck for 6 wins against 6 losses in the tough Eastern Maine Freshman League. They missed a berth in the Tournament by one game when the Hampden freshman defeated Ellsworth in the last game of the season. The highlights of the season were victories over MDI, Hampden, and Ellsworth, and a one point last second heartbreak loss to Class A powerhouse Brewer. The mark of this team was their hustle, teamwork, and intense desire for success. Many games were won in the closing minutes of the game, when the Frosh were at their best. This year's MVP trophy went to Dan McQuarrie and the MIP selection was Jeff Higgins. This group of young men showed a unique maturity which will be a definite factor in their success in future years.

WINTER TRACK

The sport of Winter Track is the means by which the high school athlete keeps in shape for the spring sports. Meets are held at the University of Maine at Orono and at Maine Maritime Academy. Running events include the mile and two mile, 60 yd dash and hurdles, and a 880 yd relay event. The field events are limited to the shot put, long jump, and high jump. This year the Boy's team placed 5th, and the Girl's team 10th in the State Class B Meet held at Bowdoin College in February. Ron Jordan was 3rd in the 60 and 5th in 300, while Kevin Kenny was 4th in both the 1000 yd and 2 mile events. Barbie Rand placed 2nd in the girl's mile event for the lone girl's spot in the State.

Boy's Varsity

The 1979 John Bapst baseball season was one of both frustration and satisfaction. Although the season had more than its share of bad moments, some things did happen which can be reflected upon with pride. The highlight of the season was a great pitching performance turned in by senior co-captain John O'Donnell, in a last inning one run loss to the perennial league champion and powerhouse Orono Red Riots. Also, throughout the season there were several outstanding individual performances by underclassmen Butch Babin, Paul Leblanc, Ed Gosselin, and the other senior co-captain Tommy Aucoin. As the win-loss record indicates, it was not a good season for the Crusaders, however it should be noted that at no time did any member of the squad quit trying to improve. Most of the losses were attributed to lack of depth in pitching, and a lack of experience since eleven out of the fifteen man squad were underclassmen. The team was led in hitting by Butch Babin and Ed Gosselin and in pitching by senior John O'Donnell.

FRESHMEN BASEBALL

The 1979 Freshman Baseball team of Coach Steve Lapointe, could best be described as scrappy. Although they did not come away with many victories, there were many close ball-games which could have gone either way. The highlight of the season was a brilliant 2 hitter hurled by David Bartlett against arch rival Orono, who the young Crusaders defeated 2-1 in the closing game of the year. Craig Babin, Scott Warren, and Joe Walsh all swung big bats, and will be called upon in the future to fill the voids on the varsity.

VARSITY GOLF

John Bapst competes in the Northern Division of the P.V.C. Home Matches are played at the Bangor Municipal Golf Course, and the Regionals are held at the Penobscot Valley Country Club. The team record was 2-16. Wins over four other teams in the Regionals was the high point of the season. The M.V.P. Trophy was presented to Steve Bertolaccini, and the M.I.P. went to John Toole. As a final note of success, Captain Steve Bertolaccini was named a coaches All-American High School Athelete. This award is presented on the basis of atheletics, academics, and leadership qualities.

GIRLS SOFTBALL 1979

The 1979 Girl's Softball team came close to having a winning season. They were a tough team which never gave up. The pitching chores were handled most ably by sophomore Sherry Temple. Laura Macdonald was selected as the M.V.P. and had a batting avg. of .476. Mary Caulkins, a senior, was chosen as the most improved player. The team was well-coached by Miss Houlihan, and well-managed by Kathleen Sullivan. They may not have had a winning season, but the girls always had a winning attitude.

The boys and girls track teams continued on the road to establishing John Bapst as a power in Track and Field. Both squads placed higher and scored more points in the state meet than ever before. The boys' squad compiled an 8-1 record on their way to capturing the PVC Loop B championship. 1979 also saw four new school records established, along with a new state record by the 440 yd relay team of the Excess Wheels; Jordan, Pardilla, Peters, and Cummings. This years MVP went to Tom Cummings, while the MIP award selection was Scott Hartman.

The 1979 girls' squad finished with a respectable 7-2 record, yet missed the Loop B title as a result of an 8 point loss to MDI. Carol Cox was selected as the MVP, and she qualified for the State Meet in four separate events. Barbie Rand knocked 38 seconds off the mile record and was selected as the MIP.

Boys Place Third At State

The John Bapst boy's Track Team worked hard throughout the season with an eye on the State Meet to be Held at Bowdoin College. This hard work showed as they were seeded high in pre-meet publications. This proved to be the case as the mile relay team of Cox, Shaw, Winkler, and Moore; and the 440 yd relay team of Peters, Pardilla, Cummings, and Jordan both placed first in their respective events against arch rival Orono and the Hyde School of Bath. Also showing fine performances were Tim Donovan and Dave Pardilla.

Girl's Take 12th Place

The girl's efforts paralleled those of the boy's throughout the season. Barbie Rand and Chris Mackay were seeded high in the mile and the javelin events respectively. Rand finished 2nd in the mile, while Carol Cox was 3rd in the low hurdles, and the 440 yd relay team of O'Donnell, McCarthy, Cox, Littlejohn, and Morneault were third in their race. As the girls chances of winning the state title waned, their efforts turned to cheering on the boys in their quest to secure the Class C title, track is a team effort.

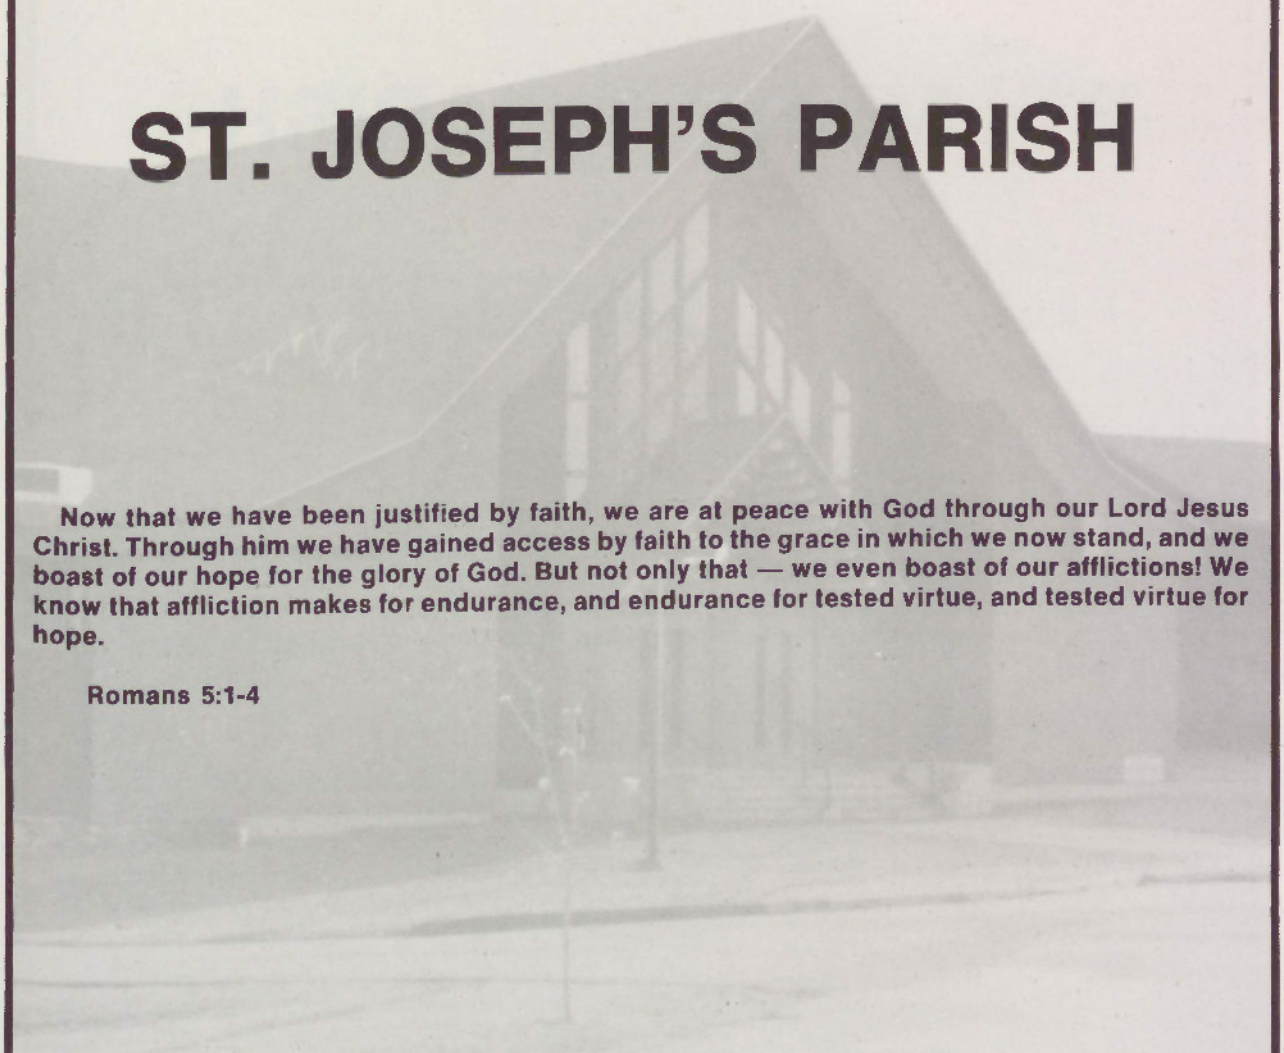
ST. JOHN'S PARISH

So then, my dearly beloved, obedient as always to my urging, work with anxious concern to achieve your salvation, not only when I happen to be with you but all the more now that I am absent. It is God who, in his good will toward you, begets in you any measure of desire or achievement. In everything you do, act without grumbling or arguing; prove yourselves innocent and straightforward, children of God beyond reproach in the midst of a twisted and depraved generation — among whom you shine like the stars in the sky while holding fast to the word of life.

Philippians 2:12-16

Good Luck Graduates

ST. JOSEPH'S PARISH



Now that we have been justified by faith, we are at peace with God through our Lord Jesus Christ. Through him we have gained access by faith to the grace in which we now stand, and we boast of our hope for the glory of God. But not only that — we even boast of our afflictions! We know that affliction makes for endurance, and endurance for tested virtue, and tested virtue for hope.

Romans 5:1-4

Congratulations Class Of '80!

ST. MARY'S PARISH

I pray that he will bestow on you gifts in keeping with the riches of his glory. May he strengthen you inwardly through the working of his Spirit. May Christ dwell in your hearts through faith, and may charity be the root and foundation of your life. Thus you will be able to grasp fully, with all the holy ones, the breadth and length and height and depth of Christ's love, and experience this love which surpasses all knowledge, so that you may attain to the fullness of God himself.

Ephesians 3:16-19

ST. TERESA'S PARISH

It is in Christ and through his blood that we have been redeemed and our sins forgiven, so immeasurably generous is God's favor to us. God has given us the wisdom to understand fully the mystery, the plan he was pleased to decree in Christ, to be carried out in the fullness of time: namely, to bring all things in the heavens and on earth into one under Christ's headship.
