I have finally
made through four years
at John Baptist High. Last
year year was one of my
favorite years here at Bapt and I enjoyed
be in your History class, you were a
good teacher and I thank you for that.
I'm all sorry that you decided to leave
after last year and wish you good luck
forever. On behalf of all of us at Bapt
we hope to see you soon.

Miss Betty,
I finally made
it through my four years
here, which I thought would
never end. My soph + junior year
seemed to go pretty slow, but that was
my fault for not doing anything (I did
try softball, but...). This year I had a great
time, I really met all the kids in my class and
participated in a few things. It was really fun.
I enjoyed your English class (except when it came to reading
your own poem aloud - Remember?). In fact, I learned more in
that Eng class than any other Eng. class. Anyway, so much for
the memoirs. I've got so much ahead of me. Wish me luck, cause I
want to go far. Thank you for all your encouragement + advice.
Love,
Mary Hughes

We all missed you terribly this year (especially
Mrs. LeBane!) Thanks for the satire assignment -
procrastination helped me into M.I.T. (they requested
a piece of writing from class)! God bless and take
care.

WE DEDICATE . . .

this yearbook to all of the loyal and hardworking people who spent a part of their lives reopening John Bapst Memorial High School. The student body, their parents, and the staff of John Bapst suffered a tragic loss in April, 1980, when Bishop O'Leary announced the necessity to shut down our old school. Many tears were shed and news coverage was extensive, detailing the conflicts around the constitutional separation between the church and the state. The Crusaders rose to the occasion forming committees, rallies and organizations to "help save John Bapst." Four dedicated persons, Mr. Joseph Sekera, Mr. William Lindsay, Mr. Earl Hannigan and Mr. John MacKay were given the decision to determine the future of John Bapst. On Friday, June 13, these men chose to create a school by September 1. A brand new hope to continue alternate education in Bangor. The summer followed, packed with legal procedures including the lease of the building from the Diocese of Portland, the state approvals and licensures and the incorporation as a non-profit institution. Thanks to the dedication of these four men, their stalwart determination to withstand all tensions, John Bapst Memorial High School opened its doors as a private, non-sectarian and non-profit preparatory day school. The Crusader spirit told these people that they had one shot at success, one opportunity to survive. John Bapst Memorial High School is a living memorial to the work of people who knew there was a purpose to Bapst for Bangor. Thank you for making survival successful! We are proud.

Billy was a very kind and sensitive person. It's funny how even though you are very close to a person you don't realize the extent of your love until they are gone. It is fortunate that we have memories to console us. I hope Billy is happy wherever he may be and knows how much we all love and miss him.

Max Betty,
It's hard to
tell you how much I missed
you this year. Being you once
in a while didn't really fill the
void. But I guess I should talk more
I know I gave you a hard time sometimes but I
never would have joked around with you and pink if I didn't
care about you. I really felt like I could talk to you as a
person and not just a teacher or a coach. I think you would have
added a lot to my senior year had you been here. There were a lot of times
when I would have liked to talk with you about college and what not. It was very
good having your support through basketball. With people like you around you are in-
spired to do even better in order to make them proud. I will always remember you and our
friendship. You're a terrific lady and I have a great deal of respect for you. Take care and have
a great time going to country this summer!
Love,
Tammy

Miss Betty

I guess I feel about the same way you
did when you left Bapst. It is so much
more than just a place to go to school.
I have to tell you that English and
history weren't the same without you
making fun of my french ways. I wanna
thank you for contributing so much to
my years at Bapst. I finally came
to my senses and played softball this
year. It is really fun I only wish I
had played when you were the coach.
Take care and thanks for everything.

Dear Miss "Betty"
I wish it was easier to
put into words how you can feel
about people. You were missed a lot by
many - including me - those who will
miss you when we all would take on
graduation exercises
times when we all wished you were here with
us - besides who else would really enjoy my years
with our class? I (Ha-Ha) have really enjoyed my years
at Bopst and I can honestly say you were part of that
enjoyment. I respect I feel for you, and very
deeply - You are a special person, and a very
person who has been a part of my heart
say that from the bottom of my heart
I wish you the best in every thing

GUYS AND DOLLS

On March 26, 27, and 28, 1980, the John Bapst Players presented their fifth Broadway musical production "Guys and Dolls". Under the direction of Bill Trowell the show was a big success. Outstanding performances were given by all four leads. Ted Dunbar as Nathan Detroit; Mary Jo Murphy as Miss Adelaide; Barbara Adams as Sarah Brown and Andre Chasse as Sky "Obediah" Masterson all helped to create the setting of 1920's New York. With Mugs, Hot Box Dancers, and Mission Band to perfect the scenerio, the John Bapst stage, again, presented a production for all to enjoy.

WILLIAM

Bill Trowell is a 1972 graduate of John Bapst. Since 1976 he has directed all 5 of the "Broadway Productions" performed on the Bapst stage; the first four with the incomparable Sr. Martha Duranceau and the last one, "Guys and Dolls", he directed alone. His dedication and patience are the two greatest factors which have made these fabulous shows such a big success. We, the "Players" express our sincere love and gratitude to "Bill", our director.

Dearest
Miss
Betty,

going back to school
this year was not as easy as
in the past because you were
not here. You were more than just
a teacher to me and many other
classmates, you were also a friend. I'll
never forget all the history classes I shared with
you. I had you every year, (God help me), and last
year, I even had you for two classes. I let you loved
that, you wit and your humor, made history class
not as boring as it always was (just kidding). W,
really, I'll never forget you, because you were the
one teacher who was always there when you needed
someone to talk to, or needed advice about something.
you are the best teacher I have had yet, and I mean that.
I learned more from you than I'll ever learn from
anyone else. I will always cherish the memories
I had at Baptist and I'll never
forget you! Take care of
yourself and keep in touch,

ATHLETICS

because I really care about ya!

Love ya,

The football season, while not proving to be too successful for our guys this year, was nonetheless an exciting one. Ms. Betty,

Well its hard to think of leaving Bapst after so many years, but the time has come to go on. This year wasn't the same without you! I hope your year was a good one and that you don't regret your **X-COUNTRY** decision, but enjoy it (especially the money!). Thankyou for all the help and support you gave, also for remembering us all here. I kept all my english papers of how to write essays and such because I'm sure I'll use them. Thankyou for being more than just a teacher, for being a friend. Best of luck in life and remember not to let your students turn the light on over your desk!!!

X-COUNTRY 1980

This past year has been one of the most successful x-country seasons. The girl's team, under the direction of Mr. Miragliuolo, did exceptionally well with the girls winning the Pendle Invitational and placing runner-up in both the Regional and State Meets. This season was a building year for the boy's team. With only two seniors returning, the team was made up of mostly underclassmen. However, their dedication and support was behind the girls throughout the season. You can't keep the Crusader down and most will prove to be even better!

BOYS VARSITY BASKETBALL

The Boys Varsity Basketball team had what proved to be a disappointing year. However, the team led by Coach Soucy did not give up once. Their spirit and determination was recognized by other teams and officials when they received the good sportsmanship award for the first time in this school's history. This determination and devotion will carry them successful future years.

Kneeling: R. Purvis, T. Morneau, back row: D. Burns, M.M. Mooney, J. Higgins, J. Durham, S. Babin, S. MacKay, J. Norton, Coach Higgins.

JUNIOR VARSITY BASKETBALL

The J.V. Basketball season proved to be a very successful one. The young team defeated many worthy opponents giving them the necessary experience to become a successful varsity team next year.

STATE CHAMPS '81

GIRLS VARSITY BASKETBALL

As of January 9 the Girls Basketball team had an outstanding record of 8-0. They hope to continue winning, this being the teams most successful season ever. After much hard work and dedication on the part of the team and it's coach, Mr. Miragliuolo, the girls have become one of the best Girls Basketball teams in the state- if not THE BEST.

Kneeling: R. Cadorette, J. Hughes, T. Burns, J. Walsh, R. Stone, D. Bartlett, P. Higgins, T. MacDonald, Back row: Coach Nahra, S. Warren, R. Nichols, B. Babin, H. Brownell, J. Higgins, R. Begin, C. Babin, J. O'Toole.

Last year's team was almost the last team ever to play for John Bapst. Yet each and every game was played with intensity and pride, under the fine coaching of Mr. Nahra. The Crusaders were led by seniors Butch Babin, Ed Gosselin, and the pitching of John Higgins. Sophomores Joe Walsh, Scott Warren, Dave Bartlett, and Craig Babin also contributed heavily to the purple and white effort. But the biggest hope for the Crusaders was the freshmen enthusiasm and help by the only starting freshman Robbie Stone. This year a veteran team will play for the new John Bapst Memorial High School - it should prove to be the very best yet!

BASEBALL

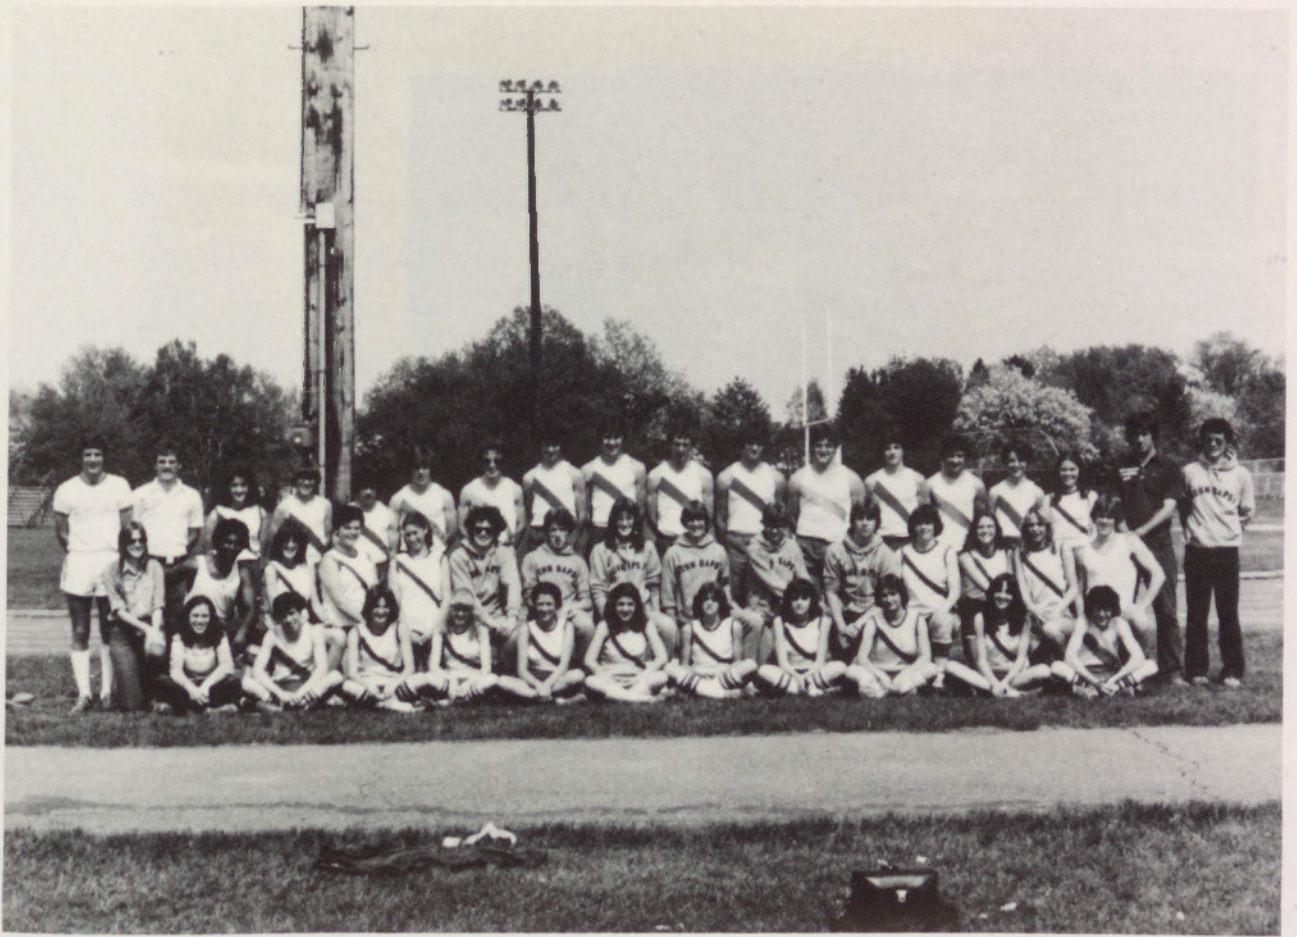

Kneeling: D. Trask (mgr.), B. Chasse, G. O'Donnell, T. Gosselin, T. Walsh, P. Caulkins, T. Farrenkopf (mgr.).
Back row: T. Farrenkopf, T. Stone, S. Nadeau, L. MacDonald, M. Spekhardt, M. Caulkins, Coach Googoo.

SOFTBALL

GIRLS VARSITY SOFTBALL

Playing against stiff competition, the 1980 softball team just missed compiling a winning record, ending the season with a 7-8 mark. Under a new coach, Steve Googoo, the girls patiently learned with him and became a respected team throughout the league. The team will continue improving their abilities and their record in the 1981 season.

Standing: T. Donovan, S. Dexter, M. McKenna, B. Cox, R. Jordan, M. Sullivan, K. Kenny, L. Sullivan, L. Brownell, R. Winkler, D. Sullivan, T. Perry, E. Smith, C. McKenna, J. Sullivan, C. Cox, B. SPRING TRACK

"Gussy"

GRATITUDE TO GUS

Gus Moore was a custodian at Bapst for 15 years. Throughout those years he worked proudly for Bapst. He got along well with the student body and faculty. We could always count on him to help out whenever we needed him. He never let us down!

"Gussy" as he was called by most of the students, always had a good word to perk you up! He had "his side" of the building, and he cleaned it with pride. We never heard him complain!

Gus Moore has now retired from his janitorial position. We may not see him pushing the broom down the corridors, but deep in our hearts, we still remember our friend, Gus. We were all sorry to see him leave, but, we wish him health and happiness in his retirement.

Gus- We love ya and we miss ya! Take Cake!

AUTOGRAPHS

There is a great deal of work that goes into a yearbook. It could not have been done without the tremendous effort of the entire yearbook staff.

I would especially like to thank Selene for figuring it all out and teaching us; Barb and Andre for not going to Las Vegas with all the money; Craig for always being around to steal the typewriters; Julie's artistic hand without which we would all be looking at stick men; Kathleen for keeping us laughing during production and to the rest of the staff who made it all possible.

A special thanks to Delois and Ollove for their excellent developing, all those who supported us financially and finally to Mr. Sekera for his world-renowned candid shots.

Thanks Again,
