FENOBSCOT COUNTY

## STATE OF MAINE.

Penobscot ss.

Court of County Commissioners,  
October Term, A. D. 1906.

Whereas, the County Commissioners of said Penobscot County did in the month of September, A. D. 1906, make an inspection of all County roads and other roads, originally located as town roads in unincorporated townships and tracts of land in said Penobscot County as required by Section 58, Chapter 9 of the Revised Statutes, in order to make an estimate of the amount needed to put said roads in repair, so far as to be safe and convenient for public travel.

Now therefore, the said County Commissioners upon due inspection as aforesaid, adjudge and estimate that the amount needed to put the roads aforesaid in repair in the several townships hereafter named, so that the same shall be safe and convenient for public travel is as follows:

Webster Plantation.....	\$593.00
