EMTC GOLF TEAM

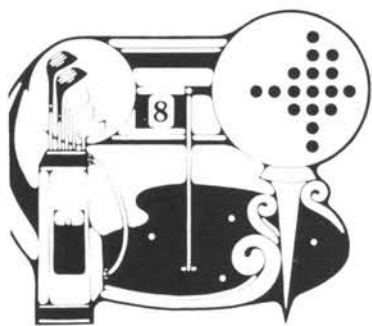

The Eastern Maine Technical College golf team captured the Maine Small College Conference championship in the fall of 1990 for the third time in the past five years.

Headed by a quartet of Business Management first year students and one Electrical Engineering senior, the Golden Eagle golfers defeated out arch-rival Southern Maine Technical College by 11 strokes (1832-1843) to take the MSCC title.

The team, coached by English instructor Hugh Lord, was comprised of Business Management students Kelly LaPointe, Jason Duran, Scott Perkins, and Tyler Norris, and Senior Electrical Power student Chris Howard. Those five played all five matches, while the team's first woman member, Tina Kahler, and Chris LeClair also practiced regularly with the team.
