MAJOR GENERAL
ROBERT OLDS

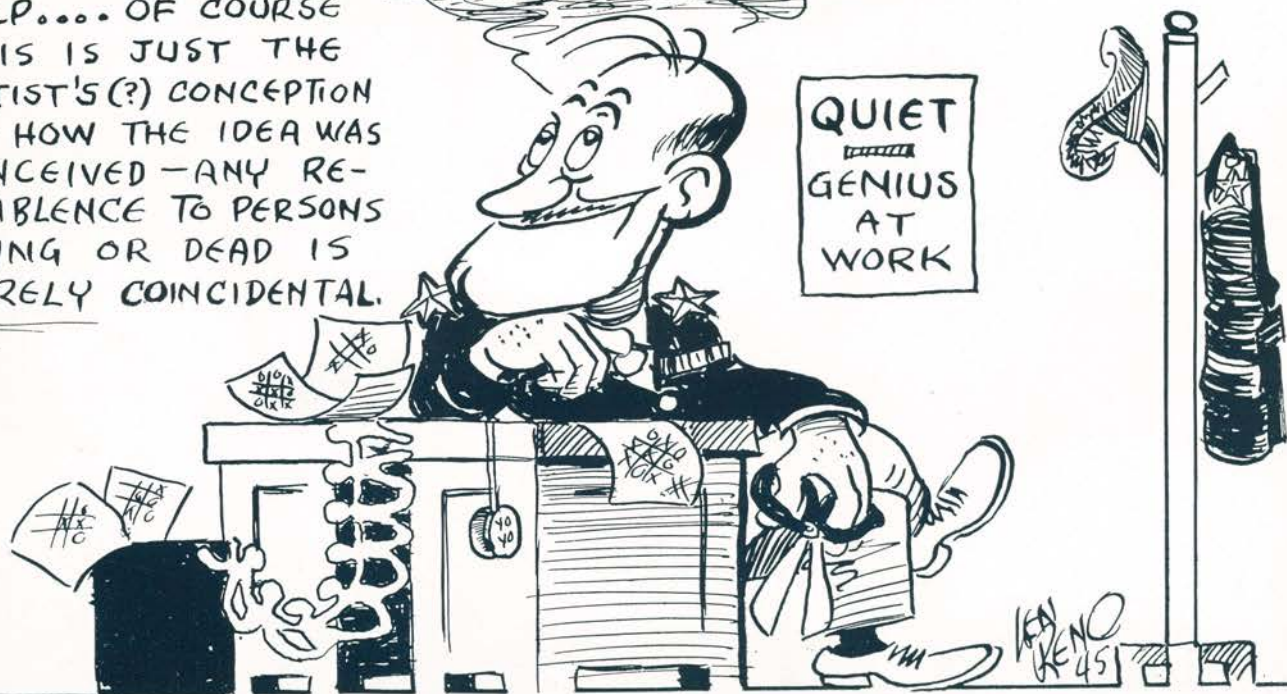

Few men have served their country as capably or intelligently as Major General Robert Olds. His ability demonstrated so adequately with the establishment and operation of the vitally needed multi-ocean Ferrying Commands, played an indispensable part in the successful prosecution of this war. This unit is justly proud that our ship is honored with his name.

HEADQUARTERS, 31ST BOMBARDMENT WING

SAN FRANCISCO, CALIF.

28 July 1945

MAJOR GENERAL CLEMENTS MC MULLEN,
Air Technical Service Command,
Far Eastern Air Forces,
APO 323, c/o Postmaster,
San Francisco, California.

Dear General Mc Mullen:

The 1st Aircraft Repair Unit (Floating), command-
ed by Colonel Joseph T. Kingsley, Jr., has departed from
this station after having supported our maintenance activi-
ties since 2 February 1945.

Colonel Kingsley's Unit has done an excellent job
in performing fourth echelon of maintenance and in absorb-
ing overloads of third echelon. During the initial stages
of operation the 1st ARUF was especially helpful in as-
much as our Service Centers lacked equipment which was
available to us through the 1st ARUF.

This quality of work done by this Unit on B-29
equipment has been of the highest calibre. They have gain-
ed valuable experience on this type aircraft which it is
hoped will be of value in their new assignment.

With kindest personal regards,

Yours truly,

COLONEL JOSEPH T. KINGSLEY, JR. and the Officers
and Men of the 1st Aircraft Repair Unit (Floating).

TO

Commanding Officer, Air Depot, APO 246.
c/o Postmaster, San Francisco, California.

THRU

1. The 1st Aircraft Repair Unit (Floating), commanded
by Colonel Kingsley, serviced this Wing during the period
from 2 February 1945 to 21 July 1945. This Unit aided in
third echelon of aircraft maintenance as well as fourth echelon
of maintenance.

2. The services of this Unit were especially valuable
during the initial stages of operation at which time the Wing
Service Centers did not have all shop facilities on hand or
installed. During the remainder of the period the Unit con-
tributed directly to the successful operation of the Wing
by performing fourth echelon of maintenance and by absorbing
overloads of third echelon.

3. Colonel Kingsley and the Officers and enlisted per-
sonnel of his Unit are commended for their excellent per-
formance. The quality and quantity of work performed has
been highly gratifying to this Headquarters. They are especial-
ly commended for the cooperative attitude which all personnel
exhibited. This Unit is considered a credit to its Head-
quarters and to the Army Air Forces as a whole.
